New Vinal Gloves!

Wrap Tite is Proud to Introduce Our New Innovative Vinal® Glove

Vinal® is an Vinyl Alternative glove with greater benefits over poly-chlorinated based Vinyl.

Vinal® is flat packed; not brick packed. This allows each glove to be pulled from the box

like tissue versus dealing with wrinkled, dense packed traditional vinyl.

* Enhanced tactile feel over traditional vinyl

* Similar strength and stretch as traditional vinyl

* Preferred applications include food

preparation, housekeeping, bakery, deli operation, & light janitorial/maintenance

use

* And 10% to 15% lower costs than traditional Vinyl!

Powder Free & Latex Free
