

Express Shipping & Production Program

Dear Valued Customers,

In order to service you better, we have put together our **Express Shipping Program - which will allow us to ship orders the same day or expedite orders through production!**

Express Shipping:

Normal lead times on in-stock items are 2-4 days based on the number of items ordered.

- **Same Day Shipping** can be provided if the **ORDER IS PLACED BEFORE NOON EST**
- **Next Day Shipping** can be provided if the **ORDER IS PLACED AFTER NOON**

Currently these shipping options are for 1 or 2 items only with an **EXPRESS SHIPPING** fee of \$100

Express Production:

Normal lead times are 2-4 weeks for items that we need to produce.

- **Express/Expedited Production** can be provided if the **ORDER IS PLACED BY THURSDAY AND WILL SHIP BY THE FOLLOWING THURSDAY**

This option is available for a **EXPRESS PRODUCTION** fee of \$500. We will confirm the same day if the order can be expedited or not as long as the request is received by **2 P.M EST.**

We will try our best to produce and ship as promised. Tracking numbers will be provided by the next business day. FEES WILL ONLY BE CHARGED IF ORDERS SHIP AS PROMISED.

As always we thank you for your business. Please contact your sales representative if you have any questions.

Sincerely,
