This Label Compliance Agreement is a part of and incorporated into the Product Purchase Agreement. Some or all of the product(s) are to be packaged in containers bearing labels manufactured by Seller in accordance with Buyer’s written instructions with respect thereto, including, but in no way limited to, those reflected on the completed Label Layout form annexed hereto as Exhibit A (collectively, as the same may be amended or supplement by Buyer, the “Labeling Instructions”).

Buyer hereby represents and warrants to Seller that it has not relied upon any information that may have been provided by Seller or Seller’s officers, directors, employees and/or agents in preparing the Labeling Instructions.

Buyer hereby further represents and warrants to Seller that the Labeling Instructions conform to all laws, rules, regulations and ordinances, foreign or domestic, applicable to labeling of products, including, without limitation, those pertaining to required text, warnings, cautions and technical information (collectively, “Applicable Laws”).

Any attempted assignment or delegation by either Party without such approval shall be void and subject to immediate termination of this Label Compliance Agreement by the other Party.

Notwithstanding anything in the Product Purchase Agreement to the contrary, the provisions of this Label Compliance Agreement shall survive expiration or termination of the Product Purchase Agreement and the termination of this Label Compliance Agreement. The indemnity and defense obligations contained in this Label Compliance Agreement shall be in addition to and shall supplement any similar obligations contained in the Product Purchase Agreement.

Neither this Label Compliance Agreement nor the Product Purchase Agreement shall create an employer/employee or principal/agent relationship between the Parties, who will operate as wholly independent companies. This Label Compliance Agreement shall not be construed as binding the parties as partners or as creating any other form of legal association, which would impose liability upon one party for the act or failure to act of the other. The relationship of the Parties shall at all times be that of buyer and seller and neither party shall have authority to make any commitment on behalf of the other party.

This Label Compliance Agreement, along with its Exhibit, and the Product Purchase Agreement, contains the entire agreement between the parties relating to the subject matter hereof and supersedes all prior or contemporaneous agreements or understandings, whether written or oral. This Label Compliance Agreement may not be amended except in writing and signed by the Parties. A waiver of any default or covenant by a Party hereunder shall not be deemed to be a continuing waiver or a waiver of any other covenant or default or any other term or condition, but shall apply solely to the instance to which the waiver is specifically directed. If any provision hereof is determined to be illegal, against public policy, or otherwise unenforceable, it shall not in any way invalidate or render unenforceable any other provision hereof, and each such provision shall at all times be considered separate and severable in this regard. This Label Compliance Agreement shall be governed by and construed in accordance with the internal laws of the State of Florida (without giving effect to the choice of law provisions thereof).

IN WITNESS WHEREFORE, the parties have executed this Label Compliance Agreement on the date first above written.
