Dear Valued Customer,

Our polyethylene resin suppliers have informed us of a resin price increase effective September 1st. This increase is due to rising feedstock costs, and lower than normal polyethylene inventory levels at the producers.

In response to this resin increase, **ALL NEW ORDERS FOR STRETCH FILM RECEIVED ON OR AFTER OCTOBER 8TH WILL BE PRICED AT A 3-5% INCREASE.**

All orders must call for **IMMEDIATE DELIVERY**. Based on current lead-times, we can only accept a limited number of new orders.

Orders placed at current prices will be limited to **LESS THAN** one month of your normal purchase levels. Pricing for orders accepted is based upon local lead-times and available resin.

Your Wrap Tite representative will be happy to answer any questions you may have.

Sincerely,

Sunil Daga

President
