Dear Valued Customer,

Our resin suppliers have announced an increase for January that is looking likely. Continued strong domestic and global demand, and rising feedstock costs support the increase.

In response to the January resin increase, Wrap-Tite will implement an increase of **5%** effective with all new orders placed on or after **February 10, 2025**.

All orders must call for immediate delivery. Based on current lead times and resin availability, Wrap-Tite can only accept a limited number of new orders. Wrap-Tite reserves the right to accept or decline all orders for any reason.

Please contact your local sales representative with any questions and we will answer promptly. Thank you for your continued support and we value your business.

Sincerely,

Wrap-Tite Management
