

## MI-GWPW18

## Extended Core Dispenser for 18" Coreless Pre-Stretch Film

Slide roll of film over handle and center onto core

## INSTRUCTIONS

1. To utilize the dispenser, insert the dispenser through the center of the coreless film roll. (The film roll should fit snugly on the core.)
2. Be sure to have the film roll centered on the dispenser so that there is complete access to each of the extended core handles.
